# 2030 Vision

We are a church growing in the grace of the gospel, discipling others across every age and stage of life. We want to be known for humble orthodoxy, evangelical partnerships, prophetic witness, and gospel-centered focus. We hold fast to Scripture, which is faithfully taught and rigorously studied within our community. We do not shy away from theological depth and are a safe place for skeptics and seekers to ask questions. We are well-known not just for theological convictions but for seeking mercy and justice, and are advocates for the broken, marginalized, and oppressed. We value community that portrays how the gospel impacts relationships. Our church makes spiritual and relational commitments to each other that are taken seriously. As community, we pray corporately, in small groups, as families and individuals, expressing our dependence and need for God. We are passionate about equipping and sending disciples into homes, the workplace, schools, and the nations. We purposefully equip future leaders and missionaries for service domestically and globally. We are a place where wounded church leaders can safely come and be made whole again. In our generosity, we provide resources locally and globally for the cause of Christ. Our legacy is about the kingdom of God in Bozeman and beyond for generations to come.

## Sermon Discussion Questions

The First Converts in Europe  
Acts 16:11-40

1. In this section we have three conversions of completely different people. Why do you think Luke decided to only write about these three?
2. Read over the conversions of the three people in this section. What were they told they must do to be saved? What action did they immediately take?
3. Verse 13 - notice where Paul, Silas, and Luke go first. Why do you think they picked this spot first?
4. Compare the slave girl and Lydia before their conversion and the difference in which Paul interacts with them. What do Paul's tactics teach us?
5. Verse 14 - God opened Lydia's heart and she believed. Have you experienced something like this before? Have you seen it happen to others? Discuss.
6. Have you ever had a direct encounter with the demonic? If so, what did you do?
7. Why is the owner of the slave girl so upset? Notice how her conversion has consequences for other people. What is the motivation for their anger? Discuss how conversions of people impact others and how they have responded.
8. Paul and Silas are singing after they get beaten for delivering a girl from slavery and the demonic. How do you think you would respond under such pressure?
9. What led the jailer to believe?
10. When Lydia and the jailer convert, their entire household is baptized. Talk about what you think that means in light of individuals needing to decide to become Christians.
11. Why do you think Paul insists on a public apology (v37)?
12. Read Luke 6:20-36 (written down after the events that happened here in Acts) and compare it to how Paul and Silas responded to persecution.
13. Seeing how Paul leads three different people to Christ, how might you adjust how you share the gospel with people in your life? Take time to pray for specific people by name.

Rod and Margi Powell have served the Lord for more than 45 years in England, Russia, and Israel. They've recently returned from a semester abroad in Tashkent, Uzbekistan - a Muslim republic in Central Asia. They have a long-term plan to plant student ministry teams in Central Asia over the next 10-12 years.

When stateside, they're based in Portland, Oregon, where Rod engages in evangelism, teaching the Scriptures, and discipling students and young men.
